

Honey Bear Bake Shop

“My name is Hannah Neville and I'm the owner of Honeybear Bake Shop. I have 10 plus years of pastry experience in fine dining restaurants and bakeries. I decided to open Honeybear Bake Shop after I was furloughed from my position as head pastry chef at The Ritz-Carlton Charlotte. Honeybear Bake Shop is an online cookie boutique which specializes in weekly cookie boxes with rotating flavors. When I was deciding to open Honeybear I was thinking of what Charlotte needed as far as a bakery, so I decided cookies. I found inspiration from multiple amazing cookie businesses around the USA with the same concept I was thinking of, and then decided to roll with that idea of cookies! I am so excited to bring Honeybear Bake Shop to the Matthews Farmers Market this summer!”
